6220 - BUDGET PREPARATION

The District's operation and educational plan is reflected in its budgets. Each year, the Board of Education will cause to have prepared and then review and approve the following Fund budgets:

- A. General Fund
- B. Special Revenue
- C. Debt Funds

Each budget shall be designed to carry out District operations in a thorough and efficient manner, maintain District facilities properly, and honor continuing obligations of the Board.

The Board shall ensure that adequate funds are reserved for the General Fund to maintain a secure financial position whereby the fund equity shall not fall below ten (10%) percent of the preceding year's expenditures; maintain a minimum target fund equity of five percent (5%) of revenue to maintain the fund in a secure financial position. The Board shall strive to reach a goal of fifteen percent (15%) of revenue for unexpected variances in revenue or expenditures and assist the Board in reducing the amount of funds that it needs to borrow for cash flow purposes.

A proposed budget requires the critical analysis of every member of the Board prior to approval; once adopted, the budget deserves the support of all members of the Board regardless of their position before its adoption.

The Board directs the Superintendent to present the budgets to the Board along with all available information associated with each budget in sufficient time to allow for proper analysis and discussion prior to the hearing.

When presented to the Board for review and/or adoption, the information shall include, as appropriate:

- A. the number and category of staff members for the current and the ensuing year;
- B. the proposed expenditure and revenue in each financial category for the ensuing year;
- C. the anticipated expenditure and revenue in each financial category for the current year;
- D. the actual expenditure, the approved budget, and the revenue in each financial category for the previous year;
- E. an estimate of the student enrollment by grades for the ensuing year;
- F. the amount of fund equity anticipated at the end of the current year;
- G. an appropriations resolution.

Washtenaw Intermediate School District

2016-17 Major Budget Assumptions

SPECIAL EDUCATION FUND

Revenue

Property Taxes – The allowable Headlee rate increase for the 2016 tax levy is 0.3%. The property tax budget includes an assumption of property additions, net of losses, of 1.2%, resulting in an overall property tax increase of 1.5%.

Other Local Revenue – WISD provides educational services to Washtenaw County for the Court Involved Youth program. WISD received the final payment for the 2014-15 year after the audit was completed, so the 2015-16 year includes an additional billings/collections of \$528,000. We do not anticipate that recurring in 2016-17.

Section 147c State Aid – The budget assumes no Section 147c revenue. There is also no corresponding expenditure included in the budget.

State Aid Section 51 – The estimated Section 51a revenue assumes our special education costs have remained constant since 2014-15. We did not make an assumption of any prior year adjustments being received in the 2016-17 year.

Grant carryover – There are no grant carryover funds included in the budget.

Expenditures

Salaries – Assumes a 0% salary/wage increase; steps are included.

Retirement – A rate of 24.94% rate has been included in the budget. The budget assumes no Section 147c revenue. There is also no corresponding revenue included in the budget.

Health Coverage – An increase of 3.5% has been included in the cost of health coverage based on positive experience.

Grant carryover – There are no grant carryover funds included in the budget.

LEA Special Education Reimbursement – Due to 1) less Other Local Revenue as identified above of \$528,000 and 2) no estimated prior year adjustments in state aid of approximately \$460,000, the funds available for reimbursement will be approximately \$870,000 less than the updated 2015-16 reimbursement amount. It is, however, over \$2 million higher than the original projected 2015-16 reimbursement.
