Vaccination Reminders

VACCINE	AGES 4-6	AGES 7-18 Including 7th Grade Students
Diphtheria, Tetanus, Pertussis (DTP, DTaP, Tdap)	4 doses of DTP or DTaP, one dose must be on or after 4 years of age	4 doses D and T or 3 doses if 1st dose given at or after 1 year of age 1 dose Tdap at 11 years of age or older upon entry into 7th grade or higher
Polio	4 doses 3 doses if dose 3 was given at or after 4 years of age	4 doses 3 doses if dose 3 was given at or after 4 years of age
Measles, Mumps, Rubella (MMR)*	2 doses at or after 12 months of age	2 doses at or after 12 months of age
Hepatitis B *	3 doses	3 doses
Meningococcal Conjugate (MenACWY)	NONE	1 dose at 11 years of age or older upon entry into 7th grade or higher
Varicella* (Chickenpox)	2 doses at or after 12 months of age or Current lab immunity or History of varicella disease	2 doses at or after 12 months of age or Current lab immunity or History of varicella disease

FOR MORE INFORMATION, SEE WWW.MICHIGAN.GOV

During disease outbreaks, incompletely vaccinated students may be excluded from school. Parents and guardians choosing to decline vaccines must obtain a certified non-medical waiver from a local health department. Read more about waivers at www.michigan.gov/immunize.

*If the student has not received these vaccines, documented immunity is required.

All doses of vaccines must be valid (correct spacing and ages) for school entry purposes.

Energy Transfer

By Tom DeKeyser | Superintendent & Middle and High School Principal

The concept of energy transfer is an old favorite of mine. It brings me back to the days when I used to teach science. While its applications are more suited to chemistry and physics, the idea that Whitmore Lake Public Schools has taken the collective “energy” from the community and applied it to improving students’ lives is not lost on me.

I see the transfer of energy as each class moves from one grade to the next. Smarter and more talented students move up the ladder in crescendo-like fashion. The Class of 2030 entering first grade will rapidly start to expand their literacy as we introduce them to a new reading curriculum built specifically for their young minds. The Class of 2024 will use the collaboration and critical thinking skills learned in their PBL/STEM class and transition to a middle school concept where opportunities to individualize learning really start to take shape. The Class of 2019, of course, will start to see that ultimate transfer -- to the “real world” -- as they prepare to graduate at the end of their senior year. I hope they see how much energy is around them.

Caleb Henning from the Class of 2018 (who was also a Senior Scholar and winner of the Joan Bauer Scheel Award to name just a couple of honors he earned) spoke to his classmates at graduation this past June. As he shared his experiences as a student, he began to list things which motivated him to invest more energy into his own education. He highlighted the relationships with his peers, the support of family, the constant push from teachers, AND the commitment of the Whitmore Lake community.

Commitment from the community is immensely important to our students. Caleb Henning detailed each level of commitment he witnessed as a student. Whether it was a new computer or a red carpet welcome, he knew adults were committing to his future. Caleb’s speech represents all students and serves as an important reminder that kids (or students) see what adults do (or notice when adults care). Kids will take our energy and do something great with it.

Let’s keep up the momentum this 2018-2019 school year. We can build on the energy and continue to provide better learning tools and environments for our students. We can and we will make each day a great day for our students and community to be Trojans!

Early Childhood

Now located at the Elementary School! Same great programs, new school!

WLPS EARLY CHILDHOOD PROGRAMS NOW ENROLLING FOR FALL 2018!

OPEN HOUSE WEDNESDAY, AUGUST 29TH, 5:00 PM - 7:00 PM

Enroll today! Our NAEYC nationally-accredited programs serve children ages 0-5 years and their families in full- and half-day, free and tuition-based programs and playgroups.

SCHOOL BEGINS for the ECSE preschool program on September 6th. GSRP, Head Start, and Enrichment Preschool begin September 12th. Parent Orientation for all programs is September 5th from 5:30 PM to 7:30 PM.

OUR PROGRAMS:

HEAD START: A free, federally-funded full-day program for children who will be 3 or 4 years old by December 1, 2018, who are from low-income families, children with special needs, children living in temporary conditions, and children in the Foster Care System.

EARLY CHILDHOOD SPECIAL EDUCATION (ECSE): A half-day preschool program for children with special needs.

GREAT START READINESS PROGRAM (GSRP): The Great Start Readiness Program (GSRP) is a free, state-funded preschool program for low- to moderate-income families with 4-year old children who are academically at-risk or who are considered at-risk.

ENRICHMENT PRESCHOOL: This tuition-based program allows parents to choose the days and hours they would like their child to attend in half and full day sessions.

KIDS CLUB: Tuition-based extended-day programs offered five days per week from 6:00 AM until school starts and after school until 6:00 PM. Also available on "no school" days, half-days and snow days.

ECC PLAYGROUPS: Playgroups begin Friday, October 5th! Offered Fridays from 9:30 AM - 11:30 AM for children ages 0-5 years. These are sliding scale tuition-based playgroups that parents attend with their child for activities, fun and socialization.

Alumni Spotlight

WLPS: Attended K - 12

University Of Michigan: Bachelor's in Political Science (Honors Program), 2004

University Of Michigan: Master's in Public Policy, 2006

I felt like I was given a private school education for free at Whitmore Lake, and I received many, many contributions to my success there. Participating in sports greatly improved my leadership skills, which made CIA leadership situations a snap.

Mr. Steeb and the Cross Country team (4-time conference champions!) probably were my biggest influencers, but Mr. Livingston and Mr. Munz and the baseball team also played a major role (my senior year, we won the first conference championship in a long time).

My work with the library and the morning announcements--especially with Mrs. Huang, who was a key mentor for me--contributed greatly, too.

Almost all of the classes I took prepared me for success, too. The Advanced Placement classes I took at Whitmore Lake earned me an entire semester of college before I even stepped foot on campus. This gave me a great head start. I can't name them all, even though so many contributed, but Honors and AP English with Mrs. Klump was on par with writing courses at the University of Michigan and probably had the most influence on me.

School security is a very important issue these days, and you're the most important link in keeping our schools safe. If you suspect anything or hear anything from a student, please share it with the WLPS staff. When in doubt, share it and tell them you're not sure. It's ok if you're wrong, and it won't be a black mark against the student. But it's important that somebody looks into and keeps everyone safe. You're the eyes and ears of the school!

Achievements

CIA Officer, 2007-2014

- Wrote papers advising the President of the United States
- Gave foreign policy recommendations in meetings with Congressmen
- Represented US Government in meetings with foreign governments
- Part of the team that protected the 2010 Winter Olympics from terrorist attack

Significant Honors/Awards

- Won a National Intelligence Award for work preventing terrorist threats to the United States
- Co-author of published book
- Member of Mensa high IQ society

Are you, or do you know, a Trojan Alum making WLPS proud? Email maria.carter-ewald@wlps.net. We would love to hear from you!

Scott Schlimmer | Class of 2000

2018-2019 Bus Routes

TRANSPORTATION AND OPERATIONS COORDINATOR

Sheryl Webber
(734) 449-4464 Ext. 2052

IMPORTANT NOTICE Children may ride a different bus in the AM for pick up than they do in the PM for drop off. Therefore, please look carefully for the most suitable AM bus and PM bus.

As we enter a new school year, we appreciate your cooperation and patience with changes that have been made in our bus routes. The safety of the children in this district remains the highest priority. Please go to www.wlps.net for information about possible additions to our bus schedule. If new stops become available, they will be posted on our website.

SCHOOL POLICY NOTICES

Policies included satisfy notification requirements of State and/or Federal Law. For questions regarding all school policies, please contact your building principal or Superintendent Tom DeKeyser at (734) 449-4464 or by email at tom.dekeyser@wlps.net. A complete reference to all school policies may be found online at www.wlps.net.

DESIGNATION OF "DIRECTORY INFORMATION"

In accordance with the Family Education Rights and Privacy Act (FERPA) (20 USC 1232[g]), the Board of Education of the Whitmore Lake Public School District has designated the following information as directory information: a student's name; the image or likeness in pictures, videotape, film website, or other medium; participation in officially recognized activities and sports; height and weight, if a member of an athletic team; degrees and awards received; and school photographs or videos of students participating in school activities, events, or programs. While other information concerning students of the school district remains confidential and will be released only in accordance with the school district's Student Record Policy, the above "directory information," will be released to a requesting party unless a parent/guardian or an adult student advises the school district that such information should not be so released with respect to that particular student. If a parent or adult student desires that the above "directory information" or any part thereof, concerning a particular student not be released, he/she should contact the student's building principal in writing.

DISCLOSURE OF DIRECTORY INFORMATION

If you do not want the following information available to the public, notify your building principal before October 7, 2018.

DRUG-FREE SCHOOLS

In accordance with federal law, the Board of Education prohibits the use, possession, concealment, or distribution of drugs by students on school grounds, in school or school-approved vehicles, or at any school-related event. Drugs include any alcoholic beverage, anabolic steroid, dangerous controlled substances as defined by state statute, or substance that could be considered a "lookalike" controlled substance. Compliance with this policy is mandatory for all students. Any student who violates this policy will be subject to disciplinary action in accordance with due process and as specified in the student handbook, up to and including expulsion from

school. When required by state law, the district will also notify law enforcement officials. The district is concerned about any student who is a victim of alcohol or drug abuse and will facilitate the process by which s/he receives help through programs and services available in the community. Students and their parents should contact the principal or counseling office whenever such help is needed.

DISCLOSURE OF PERSONAL INFORMATION TO THE MILITARY

The Family Educational Rights and Privacy Act (FERPA) provides for disclosure of a student's personal information to military recruiters upon request unless parents have advised us that they do not want their student's information disclosed without their prior written consent. If a parent or adult student does not want Whitmore Lake Public Schools to disclose personal information from a student's education records to military recruiters without prior written consent, the building principal must be notified in writing no later than October 7, 2018. Student Privacy & Parental Access to Information The Whitmore Lake Public Schools Board of Education respects the privacy rights of parents and their children. No student shall be required as a part of the school program or the district's curriculum, without prior written consent of the student (if an adult or an emancipated minor), or, if an unemancipated minor, his/her parents, to submit to or participate in any survey, analysis, or evaluation that reveals information concerning political affiliations or beliefs of the student or his/her parents; mental or psychological problems of the student or his/her family; sex behavior or attitudes; illegal, antisocial, self-incriminating, or demeaning behavior; critical appraisals of other individuals with whom respondents have close, family relationships; legally recognized privileged and analogous relationships, such as those of lawyers, physicians, and ministers; religious practices, affiliations, or beliefs of the student or his/her parents; or income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such a program).

RIGHT TO DENY USE OF STUDENT'S IMAGE

WLPS recognizes the value of utilizing audiovisual and other types of electronic communication in providing an effective education for the students of Whitmore

Lake. Unless otherwise notified, the district assumes the parent's permission in the use of your child's image, name, work product, school, and grade for district-prepared printed materials, and in presentations that may be posted on the district website or cable channel. If you do not wish to grant the district this right, please access and return the Student Photograph/Videotape Form on the website at:

<http://www.wlps.net/school-policy-notice/> or by contacting your specific school building office.

RIGHT TO INSPECT INSTRUCTIONAL MATERIALS

Parents and students may inspect, request, suggest, complain, or file a grievance as it relates to instructional materials such as textbooks, library books, reference works, and other instructional aids used in the district; however, the following procedure must be followed: Complete a "Request for Review of Materials or Course Content" form, which is available at the school office or at the Superintendent's Office. Submit the form to the school principal who will respond to your request in accordance with the steps outlined in Board of Education Policy 9130, a copy of which is available online or upon request from the Superintendent's Office.

NONDISCRIMINATION IN EDUCATION

The Whitmore Lake Public School District hereby agrees that it will comply with federal laws prohibiting discrimination and with all requirements imposed by or pursuant to regulations of the U.S. Department of Education. Therefore, it shall be the policy of the schools that no person, on the basis of race, color, religion, national origin or ancestry, age, sex, or marital status, shall be excluded from participation in, be denied the benefits of, or be otherwise discriminated against under any federally-funded program or activity for which Whitmore Lake Public Schools is responsible or for which it receives federal financial assistance. This policy of non-discrimination shall also apply to otherwise qualified handicapped individuals.

USE OF PESTICIDES

The Michigan Department of Agriculture now requires schools to notify parents when pesticides, herbicides, insecticides, etc. are being applied on school grounds. The Whitmore Lake School District normally applies these chemicals during the summer vacation and other vacation periods when school is not in session. Occasionally, in emergencies, we may be required to apply these chemicals when school is in session. You have the right to be informed prior to any pesticide application made on the school grounds and in buildings. In certain emergencies, pesticides may be applied without prior notice, but you will be provided notice following any such application. If you want prior notification, please contact the Superintendent's Office at (734) 449-4464 by October 7, 2018.

ASBESTOS MANAGEMENT

In accordance with the Asbestos Hazard Emergency Response Act [AHERA] Section 763.93[g], [1.], Management plans for the High School, Middle School, and Elementary School are available for public review. Plans are located at 8845 Main Street Whitmore Lake, Michigan in the District's Maintenance Office, on the district website, and in the office of each building. A request for review can be obtained from the Superintendent's Office.

BULLYING AND AGGRESSIVE BEHAVIOR

It is the policy of the District to provide a safe and nurturing educational environment for all of its students. This policy protects all students from bullying/aggressive behavior regardless of the subject matter or motivation for such impermissible behavior. Bullying or other aggressive behavior toward a student, whether by other students, staff, or third parties, including Board members, parents, guests, contractors, vendors, and volunteers, is strictly prohibited. This prohibition includes written, physical, verbal, and psychological abuse, including hazing, gestures, comments, threats, or actions to a student, which cause or threaten to cause bodily harm, reasonable fear for personal safety or personal degradation. Demonstration of appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment or bullying is expected of administrators, faculty, staff, and volunteers to provide positive examples for student behavior.

This policy applies to all "at-school" activities in the District, including activities on school property, in a school vehicle, and those occurring off school property if the student or employee is at any school-sponsored, school-approved or school-related activity or function, such as field trips or athletic events where students are under the school's control, or where an employee is engaged in school business. Misconduct occurring off campus may also be disciplined if it interferes with the school environment.

NOTIFICATION OF RIGHTS UNDER FERPA FOR ELEMENTARY, MIDDLE, AND HIGH SCHOOL

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records.

These rights are:

(1) The right to inspect and review the student's education records within 45 days of the day the school receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

(2) The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate. Parents or eligible students may ask the school to amend a record that they believe are inaccurate. In writing, notify the school principal (or appropriate school official), clearly identifying the part of the record to be changed, and specify why it is inaccurate. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise him/her of his/her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school district to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office/
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 202024605

PERSONAL CURRICULUM ALTERNATIVE

Generally, to earn a high school diploma, a student must satisfy the requirements of Michigan's Merit Curriculum. The District may modify those requirements, however, by developing a personal curriculum for a student. All students are entitled to a personal curriculum. A parent or guardian of a student who has completed 9th grade (or the student if at least 18 years old or emancipated), or a student's teacher or counselor, may request a personal curriculum by contacting Kathy DeKeyser at (734) 449-4461 x3008. A group that includes the student; the student's parent or guardian; and a teacher, guidance counselor, or person acting in a counseling role, will consider the request. If the personal curriculum

request is made by a student who is at least 18 or who is emancipated, or by a parent or guardian, the group will grant the request and will develop a personal curriculum for the student. For all other requests, the group will develop a personal curriculum if the group determines one is appropriate. For most students, the group that develops the personal curriculum may make only certain modifications to the Merit Curriculum. For students with disabilities under the Individuals with Disabilities Education Act and for certain students transferring to the District from a non-public school or from out of state, the group may make additional modifications. For all students, a personal curriculum must incorporate as much of the Michigan Merit Curriculum content expectations as is practicable for the student; must include measurable goals for the student to achieve while in high school; must include a method to evaluate whether the student met those goals; and must align with the student's educational development plan. Before a personal curriculum becomes effective, the Superintendent, Tom DeKeyser, and the student's parent or guardian (or the student if at least 18 or emancipated) must agree to its terms. Once effective, the student's parent or guardian (or the student if at least 18 or emancipated) must communicate with each of the student's teachers to monitor the student's progress on the personal curriculum goals. A student who successfully satisfies his or her personal curriculum may earn a high school diploma even if the student does not otherwise satisfy all of the Michigan Merit Curriculum requirements. For more information on personal curricula, including what may and may not be modified, please visit the Michigan Department of Education's Personal Curriculum page at:

http://www.michigan.gov/mde/0,4615,7-140-6530_30334_49879---,00.html

Did You Know?

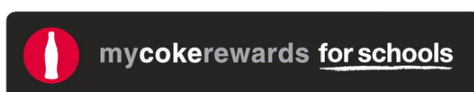

Free and Reduced Price Meal Program

WLPS would like to remind parents to apply for the Free and Reduced Price Meal Program this school year. Families who qualify for free/reduced lunch qualify for reduced/eliminated Pay to Participate fees at WLPS! If you qualify, your child or children will be eligible to take part in the Free and Reduced Price Meal Program and receive reduced pricing on meals or completely free meals, helping you save money! Even if your student had previously qualified, please make sure to apply again, as we require a current application on file for each school year. All families and parents with students K-12 are welcome to apply with no obligation. See if your family is eligible to take advantage of this program and download your application at wlps.net/food-service today!

Regardless of participation, students who apply and are found eligible help our schools earn grant money to be used in the classrooms. Please fill out an application even if you don't plan to use the financial assistance.

Here are 7 Easy Ways to Support WLPS
