All policies of the Board of Education on behalf of the District as stated in the Board of Education Policies, Board of Education minutes, or as set forth in any manner whatsoever, or powers which heretofore have been properly exercised by it, shall remain unaffected by this Agreement and in full force and effect, unless and until changed by the Board. Any additions thereto, subtractions therefrom or revisions thereof, as the same may be made by the Board from time to time, shall become and remain unaffected by this Agreement and in full force and effect unless changed by the Board. Not by way of limitation but by way of addition, the Board reserves unto itself all rights, powers and privileges inherent in it or conferred upon it from any source whatsoever, provided however, that all of the foregoing being manifestly recognized and intended to convey complete power in the Board shall nonetheless be limited but only as specifically limited by express provisions of this Agreement. Rights reserved exclusively herein by the District which shall be exercised exclusively by the District without prior negotiations with the Association either as to the taking of action under such rights or with respect to the consequence of such action during the term of this Agreement. ARTICLE 5
JURISDICTION

Employees who are not covered by the terms of this Agreement may temporarily perform work covered by this Agreement only for the purposes of instructional training, experimentation, substituting for absent employees, or in cases of emergency.

ARTICLE 6
SENIORITY

- A. A newly hired bus driver/monitor shall be on a probationary status for sixty (60) working days, taken from and including the first day hired as a regular driver/monitor. If at any time prior to the completion of the sixty (60) working days probationary period, the employee's work performance is unsatisfactory, the employee may be dismissed by the Employer during this period without appeal by the Whitmore Lake Transportation Association. Probationary employees who are absent during the first sixty (60) working days of employment, shall work additional days equal to the number of days absent, and such employee shall not have completed their probationary period until these additional days have been worked. After six (6) calendar months (not including June, July or August) the substitute bus drivers will be reimbursed cost of licensing and road skills.
- B. Upon satisfactory completion of the probationary period, the employee's seniority date shall be retroactive to the first day of work as a regular driver and monitor.
- C. Employees shall be laid off and recalled according to their seniority within classification. The employee whose run is eliminated, or who is bumped, and does not have enough seniority to displace another driver, shall be laid off within classification.
- D. Layoff does not constitute a break in service for the purpose of maintaining seniority. Seniority does not accumulate during layoff.
- E. An employee will lose their seniority for the following reasons:
1. They resign.
 2. They are discharged for cause, (drug usage, drunkenness, during, on or in school property, insubordination or willful violation of agreed upon employee rules) and such discharge is not reversed through the grievance procedure.
 3. They retire.
- F. Seniority shall continue to accumulate within the bargaining unit for an employee who transfers to a supervisory or dispatcher position, with that employee having the right to exercise their seniority and return to the bargaining unit in the event that they vacate their supervisory position and there is a position that becomes available or prior to the bid process at the beginning of the school year.
- G. An agreed to seniority list shall be furnished to the Association Chief Steward on or about October 1st of each year. Such list shall contain each employee's name, date of hire as a regular driver/monitor, and present assignment.
- H. An employee who leaves their regular status under subsections E-1 or E-3 but who wishes to remain on the substitute list on an "as available" status may do so. If such a driver wishes to return to a regular driving position they must make application and they will be treated as any other new applicant since seniority has been forfeited by the action under E-1 or E-3.

Definitions of classifications are:

1. School bus driver – a regular driver is a person who drives a daily established run.
2. Substitute bus driver – a substitute driver is a person employed by the school in the event that a regular driver or special education driver is not available.
3. Monitor – persons hired to ride with and assist bus drivers.

ARTICLE 7
VACANCIES

- A. The Employer will attempt to equalize the loads and driving times of all regular runs. All runs shall be open for bid at the beginning of each school year. Bids shall be received in order of seniority. The goal of the District is to honor the seniority of drivers in route selection with the objective of bidding runs not exceeding forty (40) hours per week.
- B. In the event that vacancies occur after the start of the school year, such vacancies shall be posted on the employees' bulletin board within five (5) working day's time and the bidding process shall be reopened for the purpose of filling the vacancy. For the purpose of this paragraph a vacancy occurs when the Superintendent is officially notified of the severance of the bus driver and the Board of Education or its agent determine that the position will be filled. For internal candidates who qualify, the position will be filled by the sixth (6th) working day. If there are no internal qualified candidates, the position will be filled in a timely manner. A driver desiring consideration for summer bus runs must be able to demonstrate acceptable attendance. If a driver has had a summer run their attendance in the previous two summers would be used in establishing an attendance record. If the driver has never driven a regular summer run in the previous school year attendance will be reviewed. FMLA leaves will be exempt from consideration.
- C. After all of the regular drivers have either bid, or elected not to bid on vacancies, substitute drivers shall be given consideration.
- D. All vacant or newly established bus runs are to be posted in the following manner: The driver/monitor qualifications, type of run, the starting date, the rate of pay, scheduled hours and the established driving times.
- E. In the event of a temporary vacancy, due to the absence of a regular driver, such temporary vacancy shall be filled by a regular driver, in good standing, by seniority, when available for the duration of such absence, i.e. no at fault bus crashes, good attendance and no written disciplinary actions in the last two years. Temporary vacancies are deemed temporary as long as the regular driver is off the job, but is due or scheduled to report back to their regular run or runs. In the event that it is determined that the regular driver will not be returning to their regular run or runs, those runs will then be considered to be vacant, and will be filled as specified in Section B of this Article.

ARTICLE 8
DISCIPLINE - DISCHARGE

Dismissal, suspension and/or any other disciplinary action for non-probationary employees shall be only for just and stated causes, which shall be given to the employee in writing. The bus employee shall have the right to defend themselves against any and all charges. When the employer feels that disciplinary action is warranted, such action must be initiated within five (5) working days of the occurrence of the condition giving rise to the action, or within five (5) working days of the date it is reasonable to assume that the employer first became fully aware of the conditions giving rise to the discipline. Among the causes which shall be deemed sufficient for dismissal, suspension and/or other disciplinary action are the following: drug usage, drunkenness, drinking on or in school property, insubordination, or willful violation of agreed upon Employee work rules.

An employee may submit a written request to the Superintendent or his/her designee to have a disciplinary action removed from his/her personnel file one (1) year following the date of occurrence. The district will grant such a request to the extent permitted by State and Federal law. In all cases, the Superintendent retains the discretion to grant or deny the request on a case by case basis.

Progressive Discipline

- 1. The Board will follow a policy of progressive discipline, subject to 2 below, which includes counseling, verbal warning, written reprimand, suspension, with discharge as a last resort.

2. The point of initiation of any disciplinary action may be determined by the severity of the employee's behavior.
3. Warnings and reprimands shall be discussed privately between the employee and the Supervisor/Administrator, except when either party requests the presence of a union steward.
4. The discipline or discharge of a probationary employee shall not be arbitrable.
5. Discipline will be imposed in a timely manner.
6. The supervisor may add informal steps prior to the initiation of discipline.
7. An employee who violates a law, policy or rule, or tampers with a device that could affect the safety and welfare of the students will be subject to immediate discipline up to and including discharge.

All reprimands will remain in the personnel file. Verbal reprimands issued more than 24 months previously and written reprimands issued more than 36 months previously will not be used in determining the next step of progressive discipline. Any discipline that relates to a violation of law will remain in the file permanently.

ARTICLE 9 UNPAID LEAVE OF ABSENCE

- A. An employee who, because of illness or accident which is non-compensable under the Worker's Compensation Law, is physically unable to work, and has exhausted all means of allowable compensation from the employer shall be granted a leave of absence provided the employee notified the employer of the necessity therefore, and provided further that the employee supplies the employer with a statement from his medical or osteopathic or chiropractic and/or psychologist doctor of the necessity and length of time for such absence and for the continuation of such absence when the same is requested by the Employer.

- F. All reasons for leaves of absence shall be in writing, stating the reason for the request and the approximate length of leave requested, with a copy of the request to be maintained by the employer, a copy furnished to the employee and a copy sent to the Chief Steward.
- G. An employee who meets all of the requirements as herein before specified shall be granted a

leave of absence without pay. Leaves of absence may be granted at the discretion of the Employer for reasons other than those listed above when they are deemed beneficial to the employee and the Employer.

- H. No leave of absence shall be more than one year at a time without the approval of the Employer. Only one year seniority will be accrued. An exception to this would be a work related absence which would have an unlimited leave with accumulating seniority. Other requested leaves of absence shall be subject to a yearly review with an option to renew. For leaves extending beyond one (1) year, the returning employee, regardless of seniority, must wait for the next vacancy.

In the event the regular lay-over time exceeds the five (5) minute minimum, the Director or Designee may ask the driver to carry out their regular duties such as fueling, washing buses, updating directions, etc. during this excess time. It is specifically agreed that buses will not be parked away from the school premises during lay-over.

 6. Drivers shall be allowed up to twenty (20) minutes once per week to wash buses. If needed, a driver may request additional time for washing buses per approval of supervisor. The school will provide a power washer to be used by the employee for washing buses. It is understood it will be maintained and repaired by the school within a reasonable time limit. If it is not working, other provisions may have to be made for a temporary time period for bus cleaning.

This list will be posted with bidding trips. Drivers will submit actual time sheets signed by coaches or teachers upon completion of the trip.
