Meal Magic®
Family Portal

Dear Parents,

The Free & Reduced Lunch Applications are online! This version is much simpler to understand than the old paper version. To apply follow the easy steps below:

1. Go to www.wlps.net. Once there click on Departments, then Food Service
2. On the food service page, scroll down to the whitmore.familyportal.cloud icon (looks just like the one at the top of this page). Click the icon.
3. This will take you to the Family Portal page. You will need to register for an account.
4. Follow the application pages until complete.

This online application is quick and will allow for faster application process. If you do not have access to a computer and would like to apply, we have computers available in our office for your use.

If you have questions regarding Free & Reduced meals or the application process, please call Lisa Ely at (734)449-4461 ext 3001.

Have a great school year!
