

WLES 2023-2024 School Supply Lists

WLES will provide ALL necessary school supplies for each student (pencils, scissors, folders, erasers, crayons, etc.) as well as a backpack (*supplies may be limited*) and access to a class set of headphones.

You don't have to buy a thing!

If your student has a personal preference for any of those items, you are welcome to send them with their own.

- Backpacks should be large enough to fit a folder AND a binder and labeled with the student's name. No wheeled backpacks as they do not fit in the lockers.
- Water bottles are recommended for all grades. Please label water bottles with your student's name.

If you would like to make a donation to your child's classroom, teachers will have lists available at Open House for specific classroom supplies. For those who can't resist those Back to School sales, below is a list of items that all teachers can use in the classroom that we will make available to any who need them. Or you can also check out the 2023 [WLPS Back to School Amazon Wish List](#), sponsored by Whitmore Lake Foundation for Educational Excellence, and make a staff member's wishes come true. All donations can be turned in to your classroom teacher at the Open House, on the first day of school, or dropped off at the WLES office starting July 31st.
