March, 2011

Dear WLHS Supporter,

The Whitmore Lake Community Scholarship Fund has been awarding scholarships to WLHS graduates since 1974. Many of you are past recipients of these scholarships. We need your help to continue our work of supporting Whitmore Lake High School graduates as they leave our community to further their education. You can help us accomplish this by making a donation.

Last year we awarded seventeen \$750.00 scholarships. Our goal this year is to increase our donations in order to be able to award more scholarships to our 2011 Whitmore Lake graduates. Please help us accomplish our goal by making a donation of any amount. **Every dollar donated goes directly to scholarships.**

If you wish to help the Class of 2011 and soon-to-be WLHS alumni continue their education, please send your charitable contribution, however large or small, to:
