GREETINGS, FROM THE PRINCIPAL

As the **end of the year** too quickly approaches, children are still learning, sports are happening and staff are busy preparing for Book Bingo, field day, field trips and end of the year closure. We're also busy cleaning out every nook and cranny of our building as we prepare for the early childhood programs to move over to the elementary. Lots to do...

It has been pretty hot so please feel free to send a water bottle to school with your child. Cold filtered water is always available. Shorts are fine however, they need to be longer than your child's fingertips. Sneakers are always better than sandals to protect those toes. Sometimes it can be cool inside, in different areas, so a light jacket/sweater may be a good idea.

On June 7th the **sixth grade students** will tour the high school in the morning, have their moving up celebration in the evening and bid a farewell goodbye to the elementary school on 6/14! Seems like just yesterday many of them were in our preschool! They have grown so much!

Lost but not found yet.... That's what we call the two tables and cabinets in the school lobby! Is your child missing a lunch box, a water bottle, a shoe, a jacket or anything else? Come by the lost and found and see if you can find them. As of 6/18 all the clothes will be donated to a good cause.

SUMMER LEARNING

SAVE THE DATES FOR FREE BOOKS & FUN: WLES is partnering with the Northfield Township Library this summer. Join us at the library on the following Fridays: June 15, July 20, August 17 from 6:00-7:30PM for Community Picnics and book giveaways!

FREE MEALS at NORTHFIELD ESTATES

For kids, summer should be a stress-free time, full of food, friends and fun. Free summer meals can help! Any child or teen age 18 and under can get free healthy meals at safe locations across the area through a program called the Summer Food Service Program (SFSP). Many of these meal sites provide learning and recreational activities to keep kids healthy and happy while they spend time with friends.

We need YOU to help make this happen! We are looking for volunteers to serve meals to children this summer. Northfield Estates offers lunch and snacks to children from June 18 - August 24 on Mondays through Fridays between 12 and 3pm. There is some flexibility, but we hope to have strong commitment from our volunteers to make this program great. Please join us and help make these children have a great summer!

If you would like to volunteer, please contact LeRonica Roberts at leronica@foodgatherers.org and include Northfield Volunteer in the subject line.
