WANNA KNOW?

GREETINGS, FROM OUR PRINCIPAL,
SUE WANAMAKER

Another school year has come and gone. It went by so very fast! There were tears and smiles, hugs and cheers, sounds of laughter and sounds of sadness. We had our end of year assembly and then clapped out the 6th graders as this was their last day as an elementary school student. We will miss our 6th grade students and wish them well as they move on to 7th grade!

The last few weeks of school were busy ones as students continued to learn and grow. There were field trips, concerts, special projects and events and a lot of birthday celebrations! Book Bingo was a huge success as students took home many books to read over the summer. Special thanks to all the volunteers who helped with field day. Without you this event would not be possible.

For those of you who are moving, and not returning to our school, we will miss you. Please come back and visit us or keep in touch in some way or another.

Summer is a time for fun and games, sun and water, sleeping in and sometimes just doing nothing! Don't forget to keep up with summer reading! See attached flyer for exciting summer reading events sponsored by WLES!

A special thank you and your family for choosing WLES! Have a wonderful summer and we will see you for open house on 8/21 and the first day of school on 8/26!
