

# WLES WEEKLY UPDATE

Whitmore Lake Elementary School

Friday, September 11, 2020

Dear Whitmore Lake Elementary School Families,

The first week of full days brought more energy and routine to WLES. Multiple recesses, full length specials classes, and longer instructional blocks helped all of us find our groove.

Lunch was another welcome addition to our schedule this week. WLES food service staff rose to the challenge of serving and supervising kids in the classrooms for lunch. The kids enjoyed having a full thirty minutes to eat and catch up with their classmates. A big thank you to families who filled out the WLPS Food Survey. Your input helps us plan for the upcoming week. Remember, you can find the weekly surveys at [wlps.net](http://wlps.net), click on Departments, Food Service, Elementary Menus.

A couple of friendly reminders as we head into week number three:

- Please call in all student absences to the school office by dialing 734-449-2051 and press 2 when prompted for kindergarten through sixth grade attendance. You are welcome to let your child's teacher know too.
- Label your child's belongings, including water bottles, jackets, backpacks, lunchboxes, large binders, etc. This helps us get misplaced items back to you faster.
- We have five full days of school next week.

Enjoy the weekend and get plenty of rest!

Tom DeKeyser  
Superintendent  
WLES Principal

Heidi Roy-Borland  
Lead Teacher

## DATES TO REMEMBER

October 14 Evening Conferences  
October 15 Picture Retake Day  
Evening Conferences
