#### Use of Recording Devices

Anyone attending a school event who wishes to record the activity on a visual recording device shall be asked to abide by the following rules:

- A. The recorder must operate the device within the area designated by the principal or director of the activity.
- B. The camera must not block the view of any other attendees or interfere with others who seek to record the activity.
- C. Those who record or assist a recorder must not block any passageways nor interfere with any other attendee's participation or observation of the activity.
- D. If sound is also being recorded, the recorder must not ask other attendees to be quiet or to change their behavior in order to improve the quality of the sound.
- E. If the District is recording the activity, the principal may arrange for a person to obtain a copy providing s/he agrees to provide a tape and pay whatever the principal may need to charge to cover the costs of transfer.

Where the District does not possess the appropriate license or permission to allow the recording of a copyrighted work or performance, notice will be given, when possible prior to the exhibit or performance. Announcements shall be made at the beginning of any such exhibit or performance.
