

WLES WEEKLY UPDATE

Whitmore Lake Elementary School

Friday, February 19, 2021

Dear Whitmore Lake Elementary School Families,

Wow! From snow to subzero temperatures, it was a good week to learn from home (and hopefully get some sledding in!)

A few reminders and announcements as we enter the last week in February:

- Please help your child gather their remote learning materials (devices, supplies, etc.) and send them back to school on Monday.
- To stay safe during morning drop-off, please wait until your vehicle is along the curb before your child exits the car.
- Spirit Wear: Please read the message on page 4 from PTO with updates about the first spirit wear order and the opportunity to place new orders by Monday, March 1. In-person students may turn order forms and payment into their teachers. Virtual Academy students may drop their order forms and payment off at the elementary school.
- The Change Challenge is in full swing! In 2 weeks, we raised over \$2,300 toward our \$4,000 goal! Mrs. Bakker's class is in the lead for A-wing and Mrs. Kobeck's class is ahead in B-wing. You can see the leaderboard and flyer on page 2. Let's wrap up the challenge next week by meeting our goal!
- The Lost and Found is growing. Pictures of the lost items are on page 5. Please remind your child to pick up their lost items from the tables in the lobby when we are back in person.

Have a great weekend!

CHANGE CHALLENGE

We've had a "change" of heart

This year, we are celebrating Heart Health month by raising funds to improve heart health at WLES. Our goal is to raise \$4,000 to purchase a class set of heart rate monitors for our students to use during physical education class.

Bring in your change (and bills!)

February 1-26, 2021

The class that raises the most money wins a special session of physical education and will be the first group to use the heart rate monitors!!

(Two winners: 1 from A-wing, 1 from B-wing)

We're aware that some of the spirit wear did not meet your expectations (specifically the white graphic on the light gray apparel). Please allow us an opportunity to make it right! Send a Facebook message or email to whitmorelakepto@gmail.com and we'll get it corrected for you. Additionally, if you missed out on the first spirit wear order, now is your chance to place an order by completing the order form! New orders (with payment) and requests for corrections must be submitted by the end of the school day on March 1st.

Thank you.
